Miniature Bipin T-5	Medium Bipin T-8/T-10/T-12	Recessed Double Contract T-8/T-12	Slimline Single Pin T-8/T-12	Circleline 4-Pin
Min. Bipin	Med. Bipin	Recessed D.C.		

The size and shape of a bulb is designated by a letter or letters followed by a number. The letter indicates the shape of the bulb while the number indicates the diameter of the bulb in eighths of an inch. For example "T-10" indicates a tubular shaped bulb having a diameter of 10/8 or 1 1/4 inches. The following illustrations show some of the more popular bulb shapes and sizes.

The size and shape of a bulb is designated by a letter or letters followed by a number. The letter indicates the shape of a bulb while the number indicates the diameter of the bulb in eighths of an inch. For example, "T-12" indicates a tubular bulb having a diameter of 12/8 or 1 1/2 inches. The following illustrations show some more popular bulb shapes and sizes.
